On behalf of all authors, as the corresponding author of the manuscript, I warrant that:

1. I/We hereby assign completely and absolutely to IRJET with effect from the date of acceptance of the above titled manuscript for publication in IRJET Journal, all present and future copyrights to the manuscript. Such assignment of copyright shall include, without limitation to the foregoing, the exclusive right to do any and all acts in all countries in which the copyright (or analogous rights) in the manuscript subsists (or in the future subsists) together with all rights of action in respect of any past or existing infringement of such copyright.
2. The manuscript above is my/our original work without fabrication, fraud, or plagiarism and has not been published previously elsewhere (printed or electronic form in the internet/discussion groups/electronic bulletin boards) or has been submitted or under consideration for publication elsewhere.
3. The manuscript contains no violation of any existing copyright or other third party right or any material of an obscene, libelous or otherwise unlawful nature, and that I/we will indemnify the Editors of IRJET against all claims and expenses (including legal costs and expenses) arising from breach of this warranty and the other warranties on my/our behalf in this agreement.
4. That I/we have obtained permission for and acknowledged the original authors of the source of any illustrations, diagrams or other materials used in the manuscript of which I am/we are not the original copyright owner/s.
5. All authors warrant that they each meet the requirements for authorship enumerated in the Journal's Instructions for Authors and understand that if the paper or part of the paper is found to be faulty or fraudulent, each shares the responsibility.
